RE: Written Assurance by Getty Oil Company, Getty
Contract, Mercur Project, ACT/045/017, Tooele County,
Utah

In response to the request by Chairman Gregory P. Williams for written assurance from Getty Oil Company that the reclamation obligations will be performed, a letter addressed to the Board of Oil, Gas and Mining from the President of Getty Mining Company (dated April 3, 1985) is enclosed.

Getty Mining Company is still the holding company for the various operating mining companies formerly owned by Getty Oil Company, and, therefore, it seems appropriate that Getty Mining Company should be the company to give the guarantee requested.
